

### **Declarations for Staff Purchase**

- I am currently staff under the OCBC Group (including but not limited to The Great Eastern Life Assurance Company Limited (“GE”), Oversea-Chinese Banking Corporation Limited, Lion Global Investors Limited and Bank of Singapore Limited) (each an “Eligible Company”) or staff of a member of GE’s Tenant Affiliate Programme. In the event that I am not the staff of an Eligible Company, I declare that I am a family member of such staff of an Eligible Company, and I have submitted the relevant supporting documents to GE. If the foregoing is found to be untrue, without prejudice to any other rights GE may have against me, I agree that GE is entitled to recover from me any and all differences in premium(s) payable for the policy resulting from any discount or benefit I had received based on my untrue declaration. For the purposes of this paragraph, “family member” means spouse, sibling, child (subject to the applicable age limit for the product(s) selected as stipulated by GE for first party applications or third party applications, as the case may be), parent or parent-in-law.
  
- I have understood that there is no distribution cost for this purchase as the product(s) selected are sold without financial advice. Distribution costs include commissions and other benefits paid to the sales representative.
